

GRAND HYATT BALI

Bali. The sound of it is enough to free your mind, refresh your spirit and excite your curiosity. Grand Hyatt Bali makes it all possible in an exotic paradise offering comfort, tranquility and indulgence. From here you can discover an island rich in culture, steeped in tradition and full of surprises. The magic of Bali is everywhere. And at Grand Hyatt it begins with a smile.

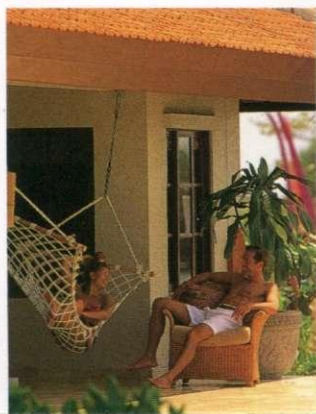

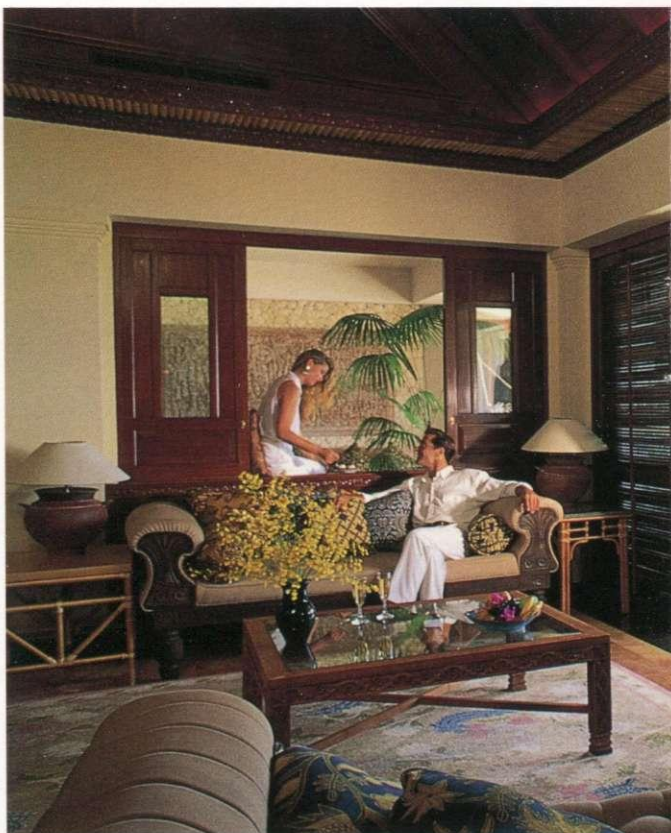

Grand Hyatt Bali is patterned after the fabled Balinese water palaces of old. Four ethnic villages are set in 40 acres of cascading waterfalls, lush gardens and carp-filled lagoons. Each of the Balinese-inspired guestrooms has its own private balcony looking out to blue sea or tropical green. Unique features include a cozy sunroom lounge area and a bathroom that opens up to the bedroom.

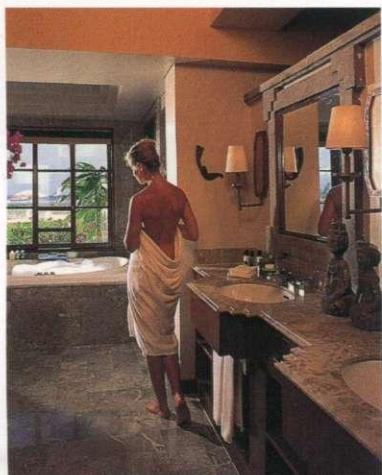

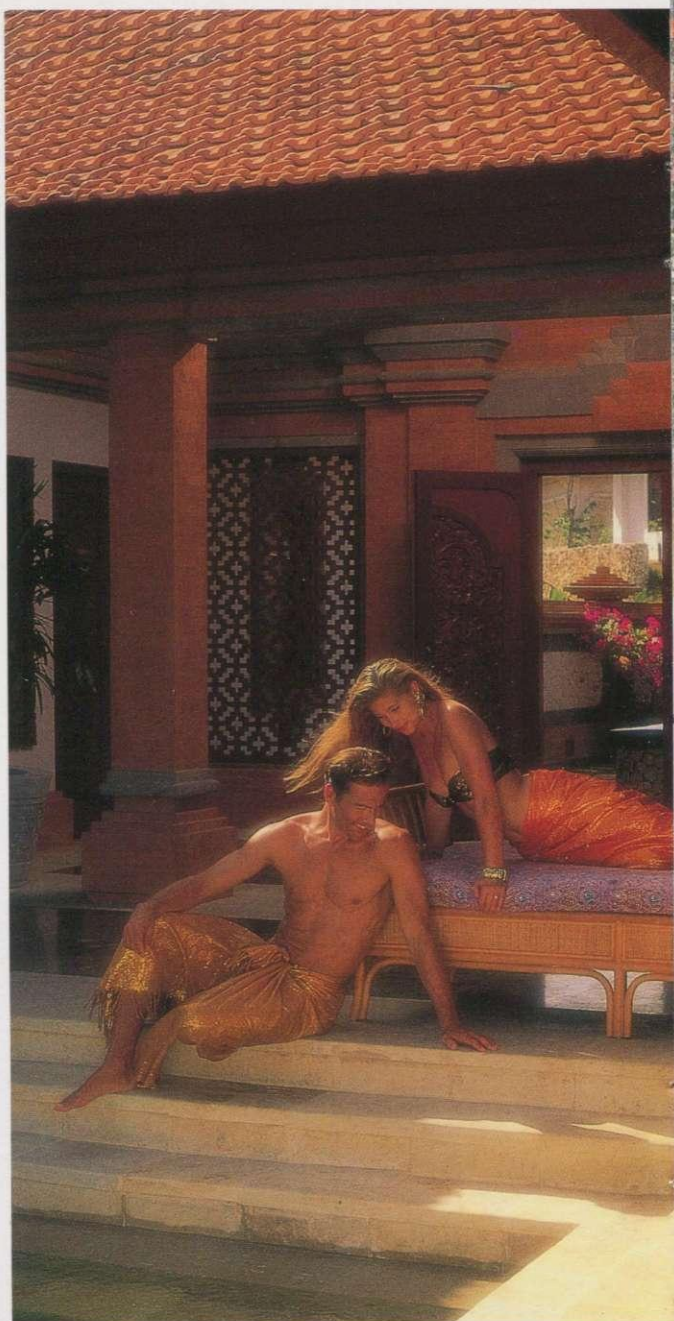

Four-poster beds, elegant livingrooms, and double-vanity marble bathrooms are just some of the luxuries found in our 24 Executive Suites, 9 Regency Suites, 4 Special Suites and 2 Presidential Suites. The decor is pure Bali with ornate wood carvings, intricate ikat patterns, traditional stonework and allegorical paintings. All come together to create that right touch of romance.

Our two Deluxe Villas are in a class by themselves. The private retreats, each with its own Balinese pool, are the closest things to palaces you are likely to find in Bali.

Regency Club offers its own rewards. The oversized rooms, some split-level, have spacious bathrooms and glorious seaviews or garden views.

There is a private swimming pool, as well as a Concierge and Butler to look after you. At the Regency Club Lounge you can enjoy complimentary breakfast, all-day coffee and tea, and evening cocktails and canapés.

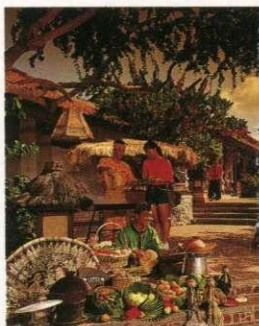

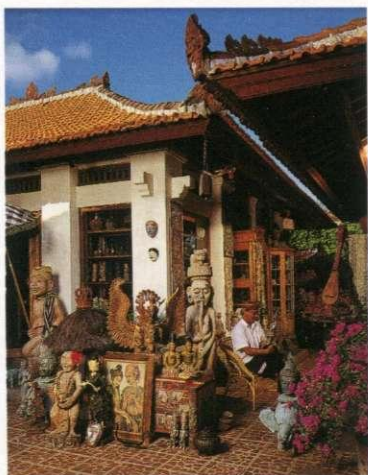

You can dine to your heart's content at Grand Hyatt Bali.

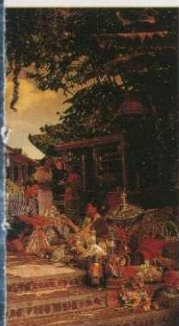

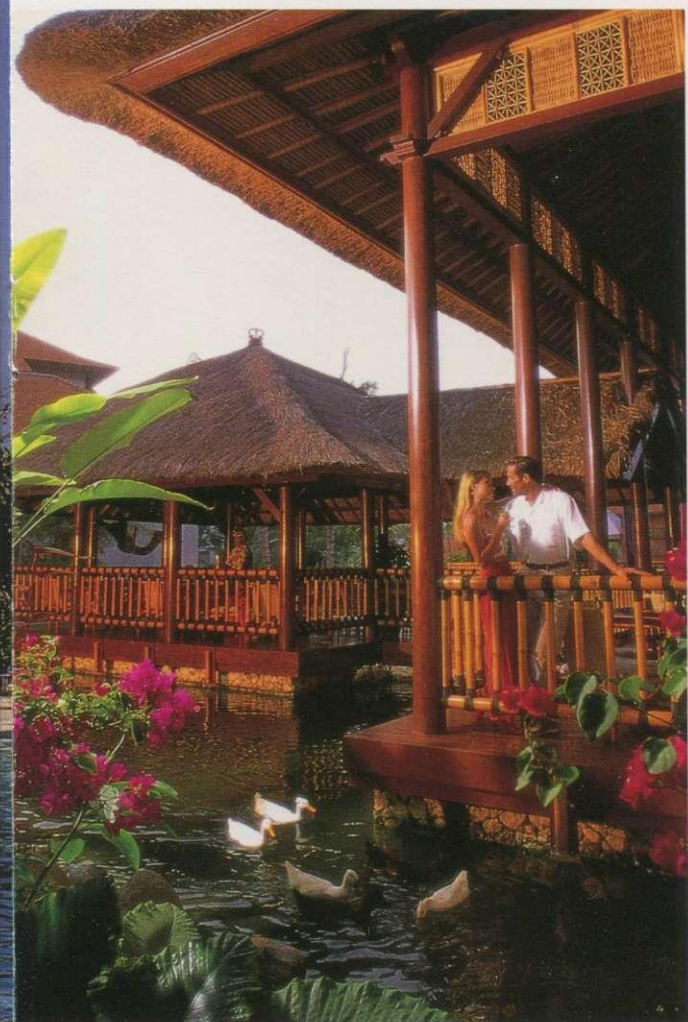

The beach is the backdrop for Salsa Verde where Italian specialities are as magnifico as the ocean breeze.

Nelayan Seafood Restaurant serves a wide variety of fresh seafood in open-air pavilions surrounded by lotus ponds. And Pasar Senggol, our Balinese village, features a lively night market offering Balinese, Indonesian, Chinese, and Western cuisines.

The Watercourt Cafe is open to the sun and to those who want to try authentic Indonesian cuisine and international specialities. Mei Yan is reminiscent of a classical Shanghainese teahouse but the cuisine is Cantonese.

T Teppanyaki, shabu shabu and sushi are just some of the delights served at Inagiku Japanese Restaurant. And Lila Cita, our "Fun Pub", is a hit with knock-out cocktails and live music.

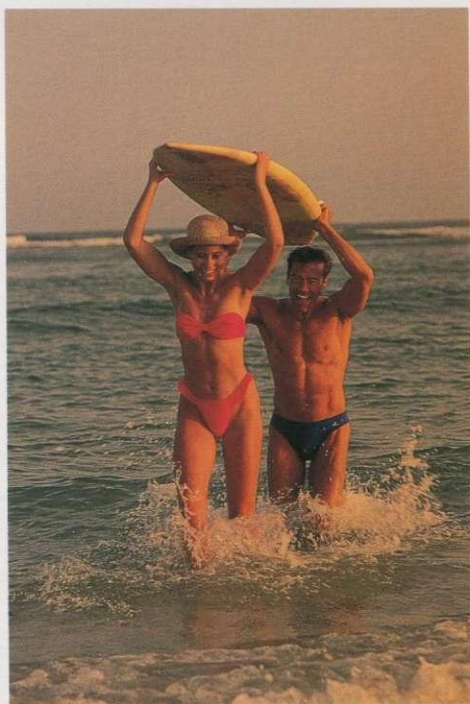

With so much choice, it would take you a month

or more to do everything at Grand Hyatt Bali.

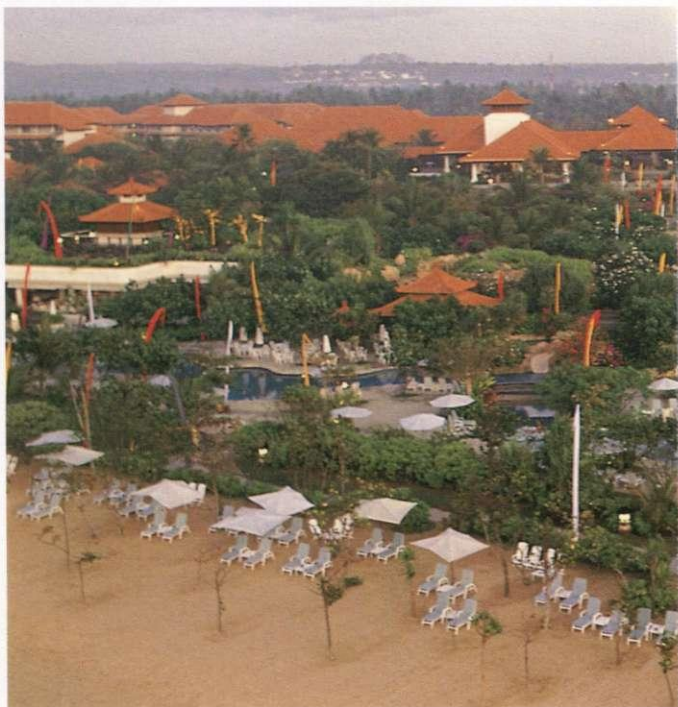

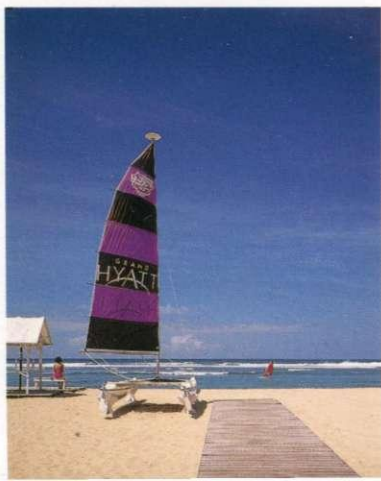

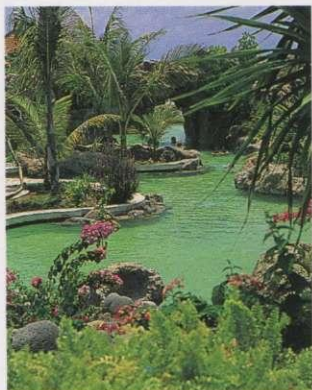

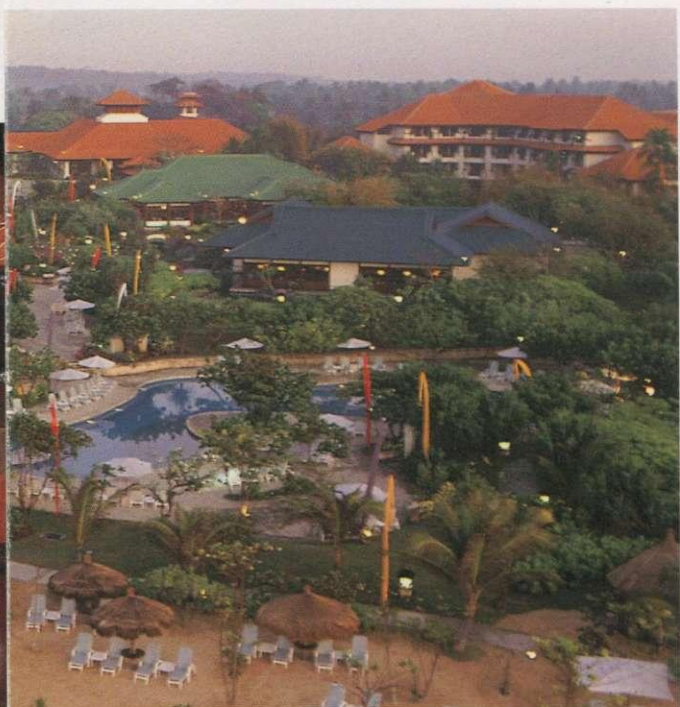

We have 6 swimming pools, including one with thrilling water slides. But the water fun doesn't end there. Windsurfing, scuba diving lessons, paddle skis and catamaran sailing are available at the hotel. And we can arrange for parasailing, deep-sea fishing and scuba-diving excursions. On land there's volleyball, a jogging track, putting green, and a championship golf course just minutes away.

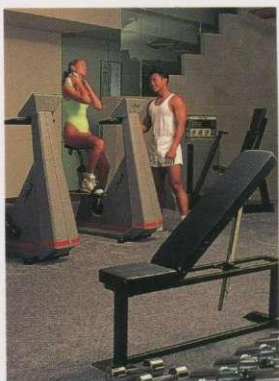

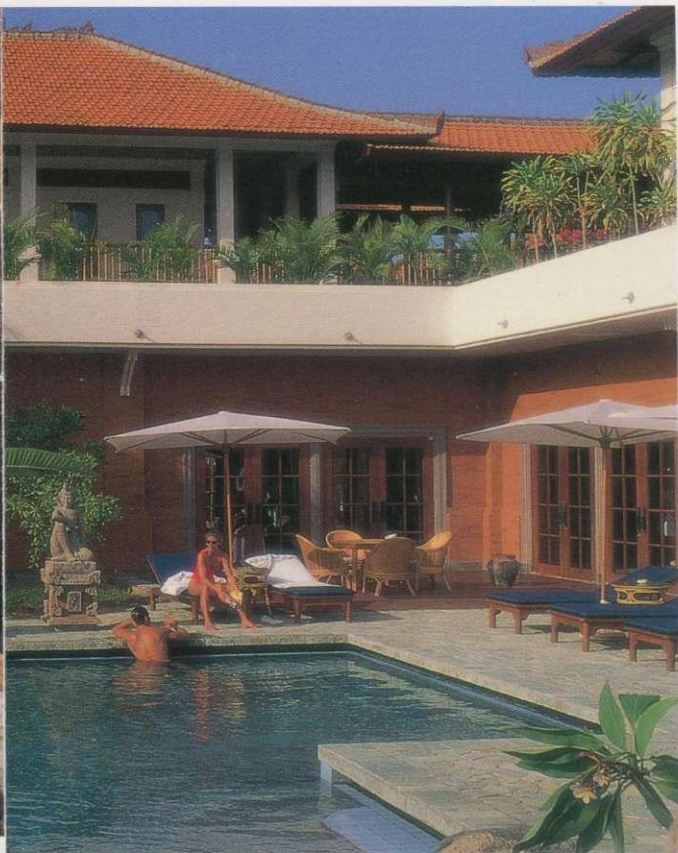

The Bay Club Fitness and Health Centre completes Grand Hyatt's amazing array of recreational facilities. There are 3 flood-lit tennis courts, 2 squash courts, a state-of-the-art gymnasium, aerobics studio, aquasize classes, sauna, steam, whirlpool, plunge pool, massage and juice bar. Children, aged 3-13, can take part in a variety of activities at the children's club "Camp Nusa".

The incredible variety of business facilities makes Grand Hyatt Bali a conference planner's joy. Our Grand Ballroom seats 540 for dinner, 780 theatre-style, and has both indoor and outdoor prefunction areas. Also, there are 8 meeting rooms, 2 boardrooms, and a high-tech auditorium.

Our theme parties are out of this world. Anything else you desire, such as secretarial services or sightseeing tours, can be arranged by our Business & Resort Activity Centre.

Bali is like a water jug that never goes dry.  
Every day it gives you something new.  
That's why it is one of the world's great  
treasures. Discover it at Grand Hyatt Bali,  
one of the world's great resorts.
